

**Standard Warranty**

All INEX/ZAMIR products are warranted against defects in workmanship or materials for one (1) year from date of invoice. This warranty extends to the original purchaser of the product or the immediate customer of an authorized reseller of INEX/ZAMIR products.

Product determined to be defective in material or workmanship should be returned freight prepaid. INEX/ZAMIR will, upon evaluation of the product make the determination to repair or replace, at our discretion, any defective components. Upon completion of repair or replacement the product will be returned to the customer freight prepaid by INEX/ZAMIR using standard overland freight.

This warranty does not cover damage that may be caused by misuse, vandalism, incorrect deployment or usage for which the product was not intended or external causes outside the control of INEX/ZAMIR including lightning or electrical power problems. INEX/ZAMIR's liability is for product failure alone and does not cover any incidental damages occurring from misuse, vandalism, incorrect deployment, usage for which the product was not intended or external causes outside the control of INEX/ZAMIR or for any other equipment that may be part of a system.

**Repaired Product Warranty**

Products that have been repaired or replaced by INEX/ZAMIR under the Standard Warranty carry a warranty against defective material or workmanship for 90 days or for the balance of the original warranty, whichever is greater, commencing on the date the repaired or replaced equipment was shipped from INEX/ZAMIR. Upon completion of repair or replacement the product will be returned to the customer freight prepaid by INEX/ZAMIR using standard overland freight.
